The RNLI is the charity that saves lives at sea

Lifeboats

AN EVENING WITH ADRIAN FLANNIGAN

ALPHA GLOBAL
EXPEDITION

*The worlds first
vertical circumnavigation*

Friday 14th November 2008, From 6.30pm (start 7.30 prompt)
South Tyneside College, St Georges Ave. South Shields NE34 6ET

Please join us for an extraordinary event. Adrian Flannigan, solo yachtsman, became the first person to complete a 'Vertical Circumnavigation' in 2008, having endured an epic 405 days of sailing and 31,000 lonely miles.

Adrian will re-live his adventures in order to raise funds for the local RNLI.

Last year we raised £4000, can we beat that in 2008?

Tombola and raffle with fantastic prizes to be won.
